

MOORPARK CHIROPRACTIC FINANCIAL AGREEMENT

As a courtesy to you, we will contact your insurance provider to verify coverage and eligibility. If your plan allows for Chiropractic treatment, your insurance provider may only cover a portion of the billed amount for your services. We will submit your claims directly to the insurance company for payment.

Your initial office visit will be more costly than subsequent visits because it includes a thorough consultation, examination, and initial treatment. Payment or co-pay is required at the time of service. We accept cash, check, Visa and Mastercard. Ultimately, it is your responsibility for payment of services.

We thank you for allowing us to tend to your chiropractic needs.

I have read and understand the above stated Financial Agreement.
